Title : Need to complete the four laning of Deoli-Jhalawar and Deoli-Jaipur sections of National Highway No. 12.

SHRI DUSHYANT SINGH (JHALAWAR): Sir, the four laning of Deoli-Jhalawar and Deoli-Jaipur section of National Highway No.12 has not started yet though the proposal was mooted long ago. These sections of NH12 are some of the high traffic density routes. Unless immediate steps are taken to start the bidding of these sections, the four laning of NH123 will not be completed. Any further delay will cause further congestion in these sections. In fact there is a need to complete the fourlaning of entire stretch of Jaipur-Tonk-Kota Jhalawar road section upto Madhya Pradesh border. Then only the movement of traffic will be smooth.

As such, I demand that the National Highway Authority should complete the bidding process in all these sections expeditiously.

I urge upon the Government of India to allocate adequate funds so that the flourlaning work is completed at an early date.
